Let Us Know What You Think

Purpose and Need

Not to have to move as a result of building a new bridge in N York.

There are 120 apts in Salisbury Pt. Most are 1 br. w/o would have no where to move. The county cannot afford to build apts. for us.

Goals and Objectives

As it stands now, there is no affordable housing for seniors in Rockland Co. Some have been here since the apts were built. 2 of my neighbors on my floor are in their late 80's!!

Preliminary Alternatives

Rail / subway.

Other Comments

N York was "disturbed" when the bridge was built initially.

If Pataskani had N.Y. state see "broke" how can they think about tearing down the "newest" bridge in N.Y.
