# Let Us Know What You Think

## Purpose and Need

First Thing

Get rid of the Thruway Authority

What they have done to that bridge is pathetic

## Goals and Objectives

From here to Albany the Thruway has been an antiquated highway for the past 25 years

## Preliminary Alternatives

I never had the opportunity to go to school for an extra 4 to 6 years to become retarded like these engineers & soon. I never lost an argument with one yet

## Other Comments

Maybe you should listen to people who have the working knowledge
