

TZB-155E

Dear Ms. Marcella and Mr. Anderson:

Since representatives from Lyndhurst and the National Trust for Historic Preservation will be meeting with the project team at Lyndhurst in just one week (on April 7), we request the opportunity to defer our comments on the Scoping Update Packet until after that meeting.

We believe that our comments will be much more meaningful and useful if they can be informed by that discussion.

Thank you for your consideration.

Sincerely,

Elizabeth S. Merritt, Deputy General Counsel, National Trust for Historic Preservation
