Scoping Update Comment Form

You are invited to comment on the Tappan Zee Bridge/I-287 Corridor Project and the accompanying Scoping Update Packet in the space below. Note that in compliance with NEPA and SAFETEA-LU Section 6002, public comments are being specifically requested on the included purpose and need (Section 3.0 Appendix A), range of alternatives (Section 4.0), assessment methodologies (section 6.0), and coordination plan (Section 5.0 Appendix B).

I favor bridge rehabilitation Option 3
and include road modifications as given
in alternative 3, but for Rockland
county only.

To me this appears as the least disruptive way
yet provide all needs. I would pretty much scrub
BRT, I don't see many people using it. Hopefully
our energy problems will be solved ^{before} this transpires.
