Well, I've been traveling on the
Tappan Zee Bridge for, approximately,
35 years and I feel that the best
solution is a new bridge with, at least,
eight lanes, four each way, similar to
the George Washington Bridge. Just doing
upkeeps and repairs is a waste of money
and time. And the other solutions appear
to be too expensive, too time-consuming.

We need a bridge, right away.

That's it.

MR. BROWN: My name is Richard
Brown, 148 North Pascack Road, Spring
Valley, New York 10977. E-mail address
is brownallen2001@optonline.net.

Well, since I live in the Spring
Valley Area, the rep is saying they're
not doing a whole lot for that area.

Now, I'm retired. When I used to
