Thank you for sending me the mailing about the Open House dates.  
Unfortunately receiving notificaiton on the 29th about meetings on the 26, 27, and 28th is  
of little real value.

The e-mail address given: info@tzbsite.com - rejects e-mail with a 550 error "relaying  
denied"

The phone number: 877-892-3685 - directs you to an extension that does not allow you to  
leave a message. You are offered the option of leaving a message in the "general  
mailbox", but if you make that selection, you are told that "the general mailbox is not  
available".

Not a very good showing.
