

TZB-043E

DEAR MR. ANDERSON, P.E., PROJECT DIRECTOR,
I HAVE A FEW COMMENTS RE- TZB. I WOULD LIKE TO SEE THE BRIDGE
REPLACED WITH 3 TUNNELS, A W-E TUNNEL AND A E-W TUNNEL FOR
CARS AND TRUCKS. THE THIRD TUNNEL FOR LIGHT RAIL. IF I COULD
DREAM I WOULD SEE A SUBWAY SYSTEM FROM PORT JERVIS TO WHITE
PLAINS.

THAT MAY NOT BE POSSIBLE THEN AN ALTERNATIVE IS TO BUILD A NEW
BRIDGE ADJACENT TO THE EXISTING BRIDGE. THEN RECONSTRUCT THE
EXISTING BRIDGE TO GIVE IT A LONGER LIFE SPAN.
THANK YOU.
