

**TZB-039E**

I AM IN FAVOR OF A JUST A NEW BRIDGE . TOO MUCH MONEY AND TIME  
WILL NEED TO BE SPENT FOR THE OTHER OPTIONS . A SERVICE WHICH  
ALERTS MOTORISTS TO EMERGENCIES ON OR NEAR THE BRIDGE IS ALSO  
CRITICAL. THE RADIO MESSAGES NOW CANNOT BE HEARD AND ARE NOT  
UPDATED IN A TIMELY MANNER . THANK YOU

Christine Smalec [csmalec@verizon.net]
