(The following comment was made by
MS. JEANETTE WELDAY, 107 Paulding Avenue,
Tarrytown, New York 10591.)

MS. WELDAY: On all of your options you
have the biking and walking path. And one of
the people who were showing us the map said
that that biking and walking path, there will
be an entrance on Van Wart which runs
parallel with our street. And I just wanted
to point out that a lot of the homes in that
neighborhood don't have driveways and we have
on-street parking. So I just wanted to bring
it to your attention that there's a potential
problem on us if people are parking there.
Thank you.

Also, I'm concerned about a rail going
across the river. I think that it would be
quite noisy. So I just wanted to add that to
my other statement.
