cards for two people. Christine Olli.

Did I pronounce that correctly?

MS. OLLI: Yes.

MR. PLOTCHYK: And the next person,
please come up and be ready for their
comments. Looks like Saunders is the last
name. First name begins with the letter
A. I think Saunders, S-A-U-N-D-E-R-S.

MR. SAUNDERS: That's correct.

MR. PLOTCHYK: Okay. If you'll come
up to the other microphone, and you'll be
up next.

Okay, ma'am, you have two minutes.

TZB-004T MS. OLLI: Okay. I'm here on
behalf of Assemblyman Adam Bradley. I
just want to thank you for providing your
experts to answer questions.

And to the extent that there is only
about a month to comment on the proposal,
I would just urge that you put on your
website, as soon as possible, the maps for
the three new options, in a zoomable form,
so that people can look at them more
closely.

14 the tunnel boring machine industry, is
15 thriving.

16 We think of Bangladesh as being one
17 of the most destitute countries in the
18 world. It just completed, it just broke
19 ground for, and will complete in two
20 years, a 52 kilometer, two track, 50
21 station subway system for their capital
22 city of Dhaka. It will cost 908
23 billion US dollars.
