Michael:

It was a pleasure speaking with you today.

Pursuant to our conversation, for your reference, please find attached this aerial of our facility. My brother and I are the sole owners and it has been in my family since 1947. The boatyard is located just north of the TZB:

Julius Petersen, Inc.

1 Van Houten Street

Upper Nyack, NY 10994

If you have any questions, please don't hesitate to call or email me.

Best regards,

JB
