Subject: TZ Bridge - Question from a South Nyack Homeowner

To Whom it May Concern:

My name is Andrea F. Composto and my partner Beth E. Brown and I live at 79 Smith Avenue. We recently purchased our home and are new to Nyack.

I see on your website that our property is one of the properties that will be affected by the bridge repair. Your site doesn't indicate what properties will be affected if the bridge is replaced.

I have concerns on so many levels. I'm terrified I will have a bridge running through my back yard. I have property value concerns, quality of life concerns, health concerns, economic concerns, to name a few.

I would like some clarification on what you mean by "a minor portion of 79 Smith Avenue will be seized" if the bridge is to be repaired.

If the bridge is going to be replaced, will you seize more of my property, less of my property, all of my property, none of my property? You can see why I am concerned.

I plan on attending the Public Information Meeting on October 29, 2008, but would like more clarification on this matter from someone at your organization. Do you accept meetings with individuals? Is there a location I can go to in Nyack to speak with a representative regarding the bridge replacement?

Your attention to my queries, is very much appreciated.

Very truly yours,

Andrea F. Composto
(a very concerned South Nyack resident)
