Subject: The NEW Tappan Zee Bridge - Please include bicycle and pedestrian walkways
Attachments:

Sent: Mon 10/20/2008 7:53 PM

Dear Planners,

Please include bicycle and pedestrian walkways on the NEW Tappan Zee Bridge.

It is very important and will be used as mass transit, and to benefit the quality of life for all who use it.

Additionally, it will really alleviate some of the vehicular traffic.

Sincerely,

Donald
