I am a member of one of SAWG (Transportation) and I note that although there is public announcement today and I see from the web site a series of public meetings in October, and although I had been previously notified by email and regular mail for SAWG meetings I received no such email regarding today's announcement or the October meetings, I request that such notices be send via email or regular mail to members of all of SAWGs. We all committed time, thought, energy and suggestions to this project without compensation (not that anyone wanted such) so I think the project should notify us (SAWG members) of such pending announcements, the announcements themselves and potential public meetings. Please advise.

John A. Tangredi, Esq.
5 Waller Avenue 2nd floor
